### Culture and Leadership, Across the World: The GLOBE Book ...

Leadership culture is the way things are done; it's the way people interact, make decisions, and influence others. Leaders' own conscious and unconscious beliefs drive decisions and behaviors, and repeated behaviors become leadership practices.

### Can You Identify Your Organization's Leadership Culture? | CCL

Cultural differences matter in leadership and the most effective leaders embrace them. In a globalised work environment, having a multinational team is becoming the norm. Whether a leader is "Eastern" or "Western" will influence how they interact with their employees. These differences can be stark and sometimes frustrating.

France . French management style is more autocratic, though this is not always evident at first glance. In France, the boss seems to have a more roving role than his focused German counterpart, and often appears to consult with middle managers, technical staff and workers - but decisions are generally made by the chief executive and orders are top-down.
