Dark ages America : the final phase of empire : Berman ...
"Dark Ages America: The Final Phase of Empire," by Morris Berman, paints a somber picture of the contemporary United States. In a 330-page analysis that I found hard to put down, the author first describes the symptoms of decadence so apparent in the United States today and then devotes four chapters to an outline of American foreign policy from McKinley to Bush II.

America Enters The Dark Ages | HuffPost Canada
Dark Ages America Quotes Showing 1-15 of 15 "how reality feels. People addicted to busyness, people who don't just use their cell phones in public but display in every nuance of cell-phone deportment their sense of throbbing connectedness to Something Important—these people would suffocate like fish on a dock if they were cut off from the Flow of Events they have conspired with their fellows to create.

Dark Ages America Quotes by Morris Berman - Goodreads
Morris Berman's Dark Ages America: The Final Phase of American Empire is a grim documentation of the events that led the US on a trajectory towards spiritual, moral, ethical, social and political decline and the economic depreciation of the American people as a whole of which, he argues, there is no return.
