### David Held Models Of Democracy

Held maps different models of democracy, from the Athenian to the present liberal democracy. In chapters 2 and 3 he explains basic concepts, such as Republicanism, elective government, sovereignty, representation, and the general will.

### Models of Democracy, 3rd Edition: Held, David ...

A decent overview of different notions of democracy. As to what democracy needs to be, Held's analysis is rather dull, seeing a need for more equality without having any idea how it could be created, but to his credit he makes no claim to having such an answer and openly admits various New Left theorists haven't figured it out, either.
