welding area due to the harmful nature of ultra-violet and infra-red arc rays, welding sparks, and welding fumes and gases 3. FLAMMABLE AND EXPLOSIVE MATERIALS a Remove flammable and explosive material at least 35 feet from the welding arc to prevent welding sparks or molten metal from starting a fire Keep a type ABC fire extinguisher within ...

230 AMP DUAL RANGE ARC WELDER

After this welder ruined yet another project, I grabbed it by the wires and performed a Hendrix-esce swing and smashed it on my floor so nobody else would ever be subject to it. 1 star for durability as I had to clean it up with a dust pan. Bought a Lincoln, not that much more money, and overnight I became a much better welder. Go figure.
