Here is an updated

version of the \$domain

website which many of

our East European

book trade customers

have been using for

some time now, more

or less regularly. We

have just introduced

certain upgrades and

changes which should

Read PDF

Modeling With

be interesting for you.
Please remember that

our website does not
replace publisher

websites, there would
be no point in

duplicating the

information. Our idea is

to present you with

tools that might be

useful in your work

with individual,

institutional and

corporate customers.

Many of the features

have been introduced

at specific requests
