that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Beautiful patterns of common birds. Be warned, however, paper piecing is pretty difficult, even for experienced quilters, as some of the sewing rules are the opposite of what you are used to. Also, some patterns like the cardinal have a lot of very tiny pieces that must be sewn together to get the big picture.
