A group of medical researchers discover a way to bring dead patients back to life.

The Lazarus Effect

'The Lazarus Effect' is set in Israel and the protagonist Art West is based on Ben's grandfather, James Arthur West, who was also an archaeologist. Art West is a Christian of the Witherington mold - a believer determined to approach the New Testament rationally, historically, and with a view to cultural and archaeological context, and he is a well-written character with human frailties as well as heroism.

The Lazarus Effect: A Novel: Ben, III Witherington ...

The Lazarus Effect is a scary movie that pokes around with some big questions, but never really goes far enough to say anything.
