## **The Shooting Star The Adventures**

The Shooting Star (French: L'Étoile mystérieuse) is the tenth volume of The Adventures of Tintin, the comics series by Belgian cartoonist Hergé. The story was serialised daily in Le Soir, Belgium's leading francophone newspaper, from October 1941 to May 1942 amidst the German occupation of Belgium during World War II.

There is an exciting international race to get to the shooting star, as Tintin rides aboard the Polar Star under the command of good friend Captain Haddock. The race to be first goes down to the final seconds. The shooting star itself will turn out to be a quite mysterious object with strange properties, not least that it won't float forever!
