textbook version, offers prospective students an overview of the political spectrum in the United States.

We The People Ginsberg 9th Edition Summaries

We the People is the best text for showing students that politics is relevant to their lives and that political participation matters—especially in the digital age. Based on the full-length text, this low-priced, very brief text offers authoritative coverage of the core topics in American politics. New coauthor Caroline Tolbert brings expertise in political behavior to deep revisions of key chapters, and new Digital Citizens boxes highlight the role of new media in politics.

9780393921106: We the People: An Introduction to American ...

Now more than ever, it is crucial that we stop pretending that there is a neat and tidy divide between domestic and international politics. Students need to know that the political world affects their lives and that the political world is exactly that: global in scope. Obviously, there are limits to what you can cover in a semester, but many students are intrigued by the numerous ways in ...
