Charles's appellation of "White King" is obscure and long forgotten. De Lisle resurrects it, in order to "inspire curiosity," for it is double-sided and shows the split of views about Charles. To some, he was a saintly martyr. White is the color of innocence, and also the color of the pall of snow that covered Charles's body as he was carried to his

Murderer, Martyr by Leanda de Lisle New biography of Charles I, executed 30 January 1649; I hoover up any books about the English Civil Wars, mostly in the forlorn hope that the author discusses Lilburne, Rainsborough, Sexby, and the Putney Debates. Most books ignore these radical redcoats and the seminal moment on 28 October
